

Editions and Price Sheet

AGILIRON is **The Complete Omni-Channel Commerce Solution Suite** that enables businesses to **"Sell More in More Places. But Manage in One"**. The solution is delivered as a hosted **Software as a Service** with a **Subscription Based Pricing** model. This offers a low entry point and ongoing operating costs to deploy enterprise class capabilities for your business with little or no investment in additional hardware or licensed software.

The AGILIRON Integrated Solution Suite is available in **Three Product Editions** with varying combination of capabilities to meet the needs of different types of businesses. Businesses can begin with any of the product editions and upgrade to a more advanced edition of the product over time as the goals and needs of the business dictate.

- **Global Enterprise Edition - Starting at \$299/month**
 - Global Edition offers the Complete set of capabilities in the AGILIRON solution suite including support for Multiple Currencies and ability to manage Sales Channels in multiple countries globally. Businesses with goals of sales expansion to multiple countries will find the Global Edition delivers the necessary capabilities to manage your global business effectively.
- **Enterprise Edition - Starting at \$199/month**
 - Enterprise edition offers an Advanced set of capabilities in the AGILIRON solution suite. Growing and Mature Businesses with goals of sales expansion through Multiple Sales Channels and needs for Advanced Back-office and Front-office capabilities will find the Enterprise Edition delivers a rich and state of the art set of modules that allow you to manage your growth and streamline your business processes effectively.
- **Premier Edition - Starting at \$99/month**
 - The Premier Edition offers a Mid-Level set of capabilities. Growing Businesses with goals of sales through Multiple Sales Channels along with the need for Robust Back-office and Front-office capabilities will find that the Premier Edition offers just the right combination of features and price to meet the needs of your business.

The table below provides a comparison of the capabilities offered by various product editions as well as the subscription pricing details. Please contact us (Email: sales@agiliron.com, Phone: **1.855.244.5476 x1**) with any questions or for additional details.
